SOME INFORMATION ABOUT THE CHOIR

This mixed-voice choir numbers between 50 and 55. We practice on a Thursday evening commencing promptly at 7pm and finishing at 9.30pm, in Gresford, Wrexham. We work straight through the two and a half hours.

Cantorion Sirenian Singers have a very high standard and a national and international reputation for excellence. In order for us to maintain this standard every chorister is expected to demonstrate 100% commitment.

We do a number of concerts throughout the year. Competitions and occasionally foreign travel can also form part of the choir's year.
